Subject: schedule conf call for Gorge Dam SHPO coordination

Hi All,

I'd like to set up a conference call for Megan to bring EPA and Curtis up to speed on all of the SHPO coordination activities already done or underway and planned for the Cuyahoga Gorge Dam project (covering sediment remediation,

construction of a containment area, and removal of the dam structure). And then to discuss what activities that EPA must do to be in compliance with the NHPA.

Megan had suggested setting up a call during the week of Feb 17. Curtis and I talked and we have narrowed it down to the following times:

Tues, 2/18 10 AM – 11 AM eastern OR 12 PM – 3 PM eastern

Fri, 2/21 10 AM – 3 PM eastern

Megan and Karla – please let me know what times on those days work for you.

Thanks!
